COONAWARRA

Angel's Footprints Sauvignon Blanc 2018

100% Mount Gambier.

"Friends are angels that lift you up when your wings have forgotten how to fly. Many people walk through your life, but true friends leave footprints in your heart." So raise your glass - here's to friends.

Tasting notes

Crisp apple and gooseberry notes, perfect for natural oysters, fresh salmon sashimi or chicken salad.

Winemakers notes

Mount Gambier is even cooler than Marlborough in New Zealand, so the long growing period allows the grapes to develop an abundance of flavours.

Single vineyard.

Food match

Char-grilled swordfish with mango and macadmia sauce on a rocket, balsamic and pear salad.

We are very proud of our wines - we hope you enjoy them.
