Winemakers comments

No expense has been spared to make the best wine possible: these grapes were grown with only organic additions in the vineyard (for the past ten years), and minimal intervention, with only 4 organic sprays for the season.

A tiny 1 tonne per acre was grown, and aged in 100% new fine grain French Grand Reserve Hogshead (300 litre) barrels for 26 months.

A dense, deep mocha and blackberry wine, with velvety tannins. The colour is still a deep red with purple hues, so will hold colour well for the next 20 years.

We are very proud of our wines - we hope you enjoy them.
