The Head Honcho Cabernet Sauvignon 2015

The Head Honcho was created from our 10 acre single Cabernet vineyard. This vineyard produces small berries full of intense flavour, harvesting a tiny 1 tonne per acre. In the 2015 vintage, it had only organic additives, and no pesticides (none have been used in this vineyard for 10 years).

We aged this wine for 24 months in the finest French Oak barrels. From these, only the most complex flavours from the finest barrels were selected. Only 3 barrels were chosen as good enough – creating only 100 cases.

The Head Honcho will age well until 2030.
