COONAWARRA

Wanderlust Coonawarra Cabernet Sauvignon 2016

100% Coonawarra

We love the people who make the journey to come and visit our cellar door; they have Wanderlust. They are the daring explorer, the lover of life with tales of adventures and experiences from their many trips. This wine's for you, intrepid travellers...

Winemakers comments

100% French Oak barrel aged – no oak substitutes are added to any of our wines.

No residual sugar, below organic levels of sulphur, and organically grown.

Tiny berries went into this wine - you can tell by the deep colour. The flavour comes from the skin, so the smaller the berry, the more colour and flavour. This wine is almost unique at this price, in that it will get better over 10 years.

Food match

Rosemary smoked lamb cutlets.

Our 2015 vintage was awarded:
